

Booking ahead by telephone for all trips is essential to avoid disappointment, we are operating with a limited capacity. To reserve your places, call on **01263 740 753** between 8am – 5pm (7 days a week). No payment for advance bookings is required until you collect your ticket, however we do offer a simple e-ticket service for group bookings. If you need to transfer or cancel a booking, please give at least two hours notice.

Tickets must be collected from **BLAKENEY QUAY (NR25 7NE)**, no later than 45 minutes before sailing time. (Please allow for Norfolk roads, pinch points at Stiffkey and Cley, (A149) plus poor signage coming through Wells). We operate in all weathers as long as it is safe to do so. Warm or waterproof clothing is advisable, but we have waterproof plastic macs available for £1 for unexpected showers. You can bring a dog, (at our discretion) but please keep it on a lead.

For that special occasion, why not charter one of our boats for a private trip. For further information please **telephone 01263 740 753**

For passenger comfort Bishop's Boats operates at a reduced capacity, which gives you more space, and has a non-smoking policy on-board.

ALL VESSELS AND SKIPPERS ARE LICENSED BY THE 'MARITIME & COASTGUARD AGENCY' & CARRY FULL LIFE SAVING & FIRST AID EQUIPMENT.

**BISHOPS BOATS** have been running seal watching trips departing from the picturesque Blakeney Harbour since early 1965.

This family run business has two traditional purpose built clinker construction wooden boats, licensed annually by the Maritime & Coastguard Agency.

Our boats wind their way down the creek before heading out into sheltered waters and onto the far end of Blakeney Point. Without going out into the open sea, our experienced skipper's take you to known areas frequented by seals. However, we ask that you appreciate that we do not control, or attempt to

influence their natural behaviour or habitat in order to see them. You may observe both common and grey

seals from the boats, which are able to get close to the basking seals near the water's edge. Our knowledgeable crew will tell you all about the seals and the

area. There are many species of birds to be seen too, including a large tern colony well established on Blakeney Point.

All trips are seal-watching trips lasting approximately 1hr. The best vantage point for the seal and tern colony is from the boats, as we are able to get quite close to the shore without causing any disturbance to the wildlife. As we do not land on Blakeney Point we are able to spend extra time at the seal and tern colony, (also known as rookeries). This also helps to preserve the natural environment of the reserve.

“Brilliant trip, very informative, children and adults loved it, something for everyone.”
